Dear Supporter,

Thank you for the interest you have shown in sponsoring a trainee at Kira Farm Development Centre.

We have created a unique scheme whereby money you donate on a regular basis, or as a one-off gift, will be invested into a student's one year's life changing experience at Kira Farm.

You will receive a framed photo with a profile of your student and you will also have access to Kira Farm's email and Skype address - enabling you to stay in touch, receive photos, enjoy their progress, and encourage your student along the way.

All of the students have been handpicked from some of the most disadvantaged regions of Uganda which have experienced many years of AIDS, war and extreme poverty. When trained, each student is encouraged to go back into their communities and pass on what they have learnt to at least 50 community members, creating sustainable change in rural Uganda.

We're thrilled to say that thanks to some fine-tuning we now have a 100% success rate – all of our 2013 graduates are able to support themselves either through employment or farming, or both. Their families are benefitting significantly as these young people can now contribute to meals, school fees and much more.

Kira student sponsorship is a contribution of £500 a year, towards the training, and is ideal for a family, church, business, school or club, but many individual also sponsors a Kira student either monthly or as a one off annual gift.

Please do not hesitate to contact me further if you would like more information, or if you would like to discuss other ways you can be involved in this life-changing, high impact project.

Best Wishes,

Phil Pugsley

I am able to support them and pay my sister's school fees."*
